T-CAS Version 3.1

To Drummond Group:

RE: Mandatory Disclosure statement for **T-CAS (Total Clinic Automation Solution) Ver 3.1**

T-CAS is certified as a complete EHR for the 2014 Edition of the Medicare EHR Incentive Program. For public release and exact language used for our website and marketing distributions:

- Ongoing monthly costs to support Transitions of Care (170.314.b.1, 170.314.b.2).
- Ongoing monthly costs to support online patient service that include direct messaging (170.314.e.1)
- Ongoing monthly costs to support clinical decision support interventions with therapeutic information (170.214.a.8)
- We have no contractual, technical or practical limitations.

This language will be displayed on our website here:  
<http://us.m2comsys.com/products/t-cas/>

We agree to notify Drummond Group of any and all future changes to our transparency and disclosures language for this certified product-version.

We understand and agree that the ONC Health IT Certification Program Final Rule statement gives Drummond Group, as an ONC-ACB, the sole responsibility for ensuring compliance and determining appropriate consequences if EHR technology developers fail to divulge accurate transparency and disclosures information.

We understand and agree that we will provide to Drummond Group copies of or give access to any and all websites, marketing materials, communication statements, and other assertions made by your organization regarding the ONC certification status of this product in a reasonable time to ensure the transparency and disclosures information is being accurately disclosed.
